Since 1913, CCEUC uses research based knowledge through their partnership with Cornell University to assist the residents of Ulster County. CCEUC offers resources, tools and education through on-going community programming in efforts to improve the lives of a broad and diverse county population. Program areas include: Agriculture, Horticulture, 4-H Youth Development, Environmental and Healthy Communities.

CCEUC is a registered 501(c) 3 non-profit educational organization and part of the Cornell Cooperative Extension land grant system, a partnership between County, State, and Federal governments. CCE mission: to enable people to improve their lives and communities through partnerships that put experience and research knowledge to work.

CCEUC provides equal employment and program opportunities
