

**Ag Focus** - Mailed monthly newsletter from CCE Orange and Ulster counties on a variety of agriculture topics.

*Ag Focus (above) is our only publication requiring enrollment in our Ag Program (details at [tinyurl.com/CCEUC-Ag-Enrollment](http://tinyurl.com/CCEUC-Ag-Enrollment)) and all other sendouts are free (below).*

Sign up for our free publications at [tinyurl.com/CCEUC-Ag-List](http://tinyurl.com/CCEUC-Ag-List)

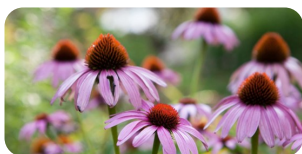

**Greenhouse IPM Grower alerts** – Timely email alerts for commercial greenhouse growers on pests, upcoming events and more from Dr. Betsy Lamb with Cornell's IPM Program.

**Christmas Tree IPM Grower e-alerts** – Timely email alerts for Christmas tree growers on pests, upcoming events and more from Dr. Betsy Lamb with Cornell's IPM Program.

**Field Crops IPM Report and Publications** – Several publications and grower updates are available with timely updates and event notices on field crop and pasture topics. These need to be signed up for directly (not through CCEUC). For details go to [tinyurl.com/Field-Crops](http://tinyurl.com/Field-Crops).

**Weekly Livestock and Pasture Update** - Email newsletter with event listings and timely, informative articles on health, production, pasture management and more.

**Home Gardening mailing list** – Email event notices throughout the year of classes and programs for home gardeners, and an annual mailing in January of all classes planned for the year.

**FRUIT AND VEGETABLE PRODUCERS** can benefit from the Eastern NY Commercial Horticulture Program (ENYCHP), which handles commercial fruit and vegetable commodities for our region. Learn more at [enych.cce.cornell.edu](http://enych.cce.cornell.edu).

ENYCHP's grower updates and newsletters below contain timely, informative articles and event listings. These are sent on a *separate* mailing list from CCE Ulster. To be added, contact Chuck at 518-272-4210 or email [cdb13@cornell.edu](mailto:cdb13@cornell.edu).
